CONTRACTOR/INDUSTRIAL GRADE

Lawn & Garden Tools

Professionals' CHOICE

The **Professionals' Choice™** program is our best contractor grade of lawn and garden tools. It is targeted to the upscale, serious homeowner. It's rugged enough for the heaviest of projects. It features heavy-duty 54" fiberglass handles, larger head sizes and heavier construction. The fiberglass construction resists the effects of weather – no warping, rusting, chipping or splintering.

FUNCTIONAL CHILDREN'S

Lawn & Garden Tools

Functional Children's Products

These are not toys! These products are designed to be as functional as their adult counterparts.

Little Diggers™ are child-safe for all ages and constructed of durable poly that will not crack or rust.

Little Diggers will complement your regular line of lawn & garden tools. And the colorful, contemporary packaging will immediately tell the consumer: "This is a child's product."

Little Diggers tools come in a full-color shipper/display carton. The graphics are coordinated with the graphics on the label. Both show the products in use. The carton is illustrated on all four sides with children working on a farm. The display will attract the attention of all your customers – kids or adults.

Yard & Garden

HOSE HIDERS™ & Lawn Storage Unit

Patina finish gives the appearance
of cast-bronze statuary

Sculpted detail for natural look.

The hose hider/lawn storage system have a head and body that lifts up to reveal a storage compartment that holds up to 100' of 5/8" garden hose or any type of lawn and garden supplies.

The classic patina finish and naturally sculpted details enable the hose hider/lawn storage systems to fit into any landscape design.

Each hose hider is individually packaged in a dynamic, full-color carton that sells itself.
