Superior Solutions for Every Garden

Why Buy Monterey[®] Lawn & Garden *Products?*

Monterey[®] Lawn & Garden formulates and packages a wide range of plant protection, nutrition, and weed and disease control solutions that give home gardeners more tools to create a beautiful landscape. These products are available at leading retailers and distributors throughout the United States.

We are continually researching new horticultural solutions for home gardeners. If your customers express a particular product need that you don't find in this catalog, we'd like to hear from you!

Better Gardens with less *time* and *effort!*

- OMRI Listed products for organic gardening
- Herbicides for weed control
- Insecticides and molluscicides for plant protection
- Fungicides for control of plant diseases
- Fertilizers and iron products
- Adjuvants to enhance the uptake of listed products
- Nematicides
- Pond dyes and lawn pigments
- Plant growth regulators
- Insect traps and lures

We have color-coded our packaging to identify organic vs. synthetic products. All products based on naturally-occurring ingredients are shown with green labels for quick identification. The orange-colored labels are products made with synthetic active ingredients. Our products provide effective solutions for most of the toughest weed and pest issues within the garden landscape.

New for 2022!

Monterey[®] Iron Combo is now available in a 32 oz RTS (Ready-To-Spray) size. Also, Monterey[®] Mosquito Control is now available in a 32 oz RTU (Ready-To-Use) formulation. Additionally, we are happy to introduce our new Assortment Displays which contain a variety of best-selling Monterey products. More information on displays can be found on page 29.

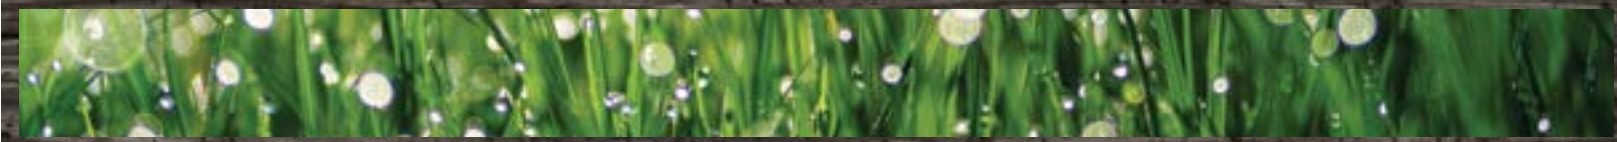

We are grateful to our customers for their continued support as our product line grows. We look forward to working together to make this gardening season a successful one for this year, and more to come.
