

WE KEEP IT SIMPLE

Redmond provides simple, back-to-basics products that can help your animals thrive—whether your approach is organic or conventional.

NATURE HAS IT RIGHT

Our unique balance of minerals comes directly from an ancient mineral sea bed—harvested in America and delivered to you exactly as nature intended.

CRAFTED BY FARMERS

Our company was started by farmers over 50 years ago in Central Utah, and we still use Redmond products on our farms today. We feel lucky to be able to share our products with you!

LIVESTOCK FEEDING DIRECTIONS

We like to provide Redmond 10 Fine Mineral Salt free choice. You can also mix with daily rations according to guidelines from your vet or nutritionist. Provide fresh, clean water.
