

One-handed 2" PVC Ratcheting Cutter

One-hand action, frees other hand to hold the work!

When you're on the jobsite by yourself the right tools can make a world of difference. The new 1-handed 2" PVC ratcheting cutter from SuperiorTool is one of those tools. The multi-position ratcheting blade and pointed blade edge make cutting up to 2.5" O.D. PVC pipe easier than other cutters on the market. This durable tool is made with cast aluminum handles, comfortable cushion grips and powder coated for long lasting protection. If your tool of choice for PVC pipe is a handsaw, this tool will cut the work in a fraction of the time.

- Cuts 2" nominal PVC pipe, or 2.5" O.D. (63mm)
- Effortless one handed operation, frees up the other hand to hold the work
- Aluminum cast handles with cushion grip for comfort
- Durable powder coat finish for easy clean up
- Hardened stainless steel blade design with pointed edge to pierce the pipe for smooth effortless cut
- Lifetime guarantee (excluding blade)

*Lifetime Guarantee
(Excluding Blade)*
